

Cork Journal

Class Description:

Make this sophisticated Journal decorated with Rotary Cut Appliqué shapes while you learn new skills that can be use for many future appliqué projects. Make this cover for a standard size composition notebook so you can easily swap out the journal inside as you fill them with quilting sketches, project notes, or daily gratitude! Hand made journals make thoughtful holiday gifts for men and women.

A Note about Supplies:

Working with cork is fun and easy! Cutting cork with a rotary cutter and stitching cork is just like using fabric.

Provide your own cork and supplies, or buy the kit for \$20. When you sign up for the class, you can purchase the kit online. Penny will correspond with you and let you know the colors and patterns we have available.

We have patterned cork and colors appropriate for men and women.

There is no prep-work for this class.

Notebook Covers a standard composition Notebook, roughly 7" x 9"
